

IN THE UNITED STATES
PATENT AND TRADEMARK OFFICE

Declaration and Power of Attorney

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name. I believe I am an original, first, and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled **'METHOD FOR EVALUATING CARDIOVASCULAR STATUS'**, described in PCT patent application number: PCT/RU2005/000198, international filing date April 12, 2005, priority date April 14, 2004, and International Publication No. WO 2005/099571 A1, and in U.S. national phase application serial no. 10/599,919, filed on October 13, 2006.

I hereby state that I have reviewed and understand the contents of the above identified applications, including the claims, as amended by an amendment, if any, specifically referred to in this oath or declaration.

I acknowledge the duty to disclose all information known to me which is material to patentability as defined in Title 37, Code of Federal Regulations, 1.56.

I hereby claim foreign priority benefits under Title 35, United States Code, 119 of any foreign application(s) for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:

The U.S. national phase application serial no. 10/599,919, filed on October 13, 2006, claims the priority of PCT application no. PCT/RU2005/000198, international filing date April 12, 2005, and Russian priority application no. 2004112563, filing date April 14, 2004.

I hereby claim the benefit under Title 35, United States Code, 120 of any United States application(s) listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code, 112, I acknowledge the duty to disclose all information known to me to be material to patentability as defined in Title 37, Code of Federal Regulations, 1.56 which became available between the filing date of the prior application and the national or PCT international filing date of this application:

None

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the U.S. national phase application or any patent issued thereon.

I hereby appoint the following attorney(s) with full power of substitution and revocation, to prosecute said U.S. national phase application serial no. 10/599,919, to make alterations and amendments therein, to receive the U.S. patent, and to transact all business in the U.S. Patent and Trademark Office connected therewith:

Walter J. Tencza Jr.
